**REQUEST NO. 4:** Please identify inmates schedules in the kitchen for months of June, July 2019 (include inmates names and ID Photos).

*\* Plaintiff needs, This will lead to evidence that is in admissible.*

**RESPONSE TO REQUEST NO. 4:** Objection, relevance. Facility records indicate you worked in food service 5/24/2018 - 7/05/2018 and 10/04/18 - 10/09/18.

*A lie, Plaintiff was placed in Seg 7-9-18*

**REQUEST NO. 5:** Please identify all staff members whom was present in the segregation review and the listed inmates whom attended the segregation review and the outcome of each inmate situation on the date of March 5, 2019.

*\* Plaintiff is suing Defendant Martinez in his official capacity*

**RESPONSE TO REQUEST NO. 5:** Objection, relevance. Objection, safety, security, and privacy concerns restrict release of the requested information regarding other inmates. Without waiving these objections, Plaintiff attended a segregation review on or about March 5, 2019. Staff whom may have been present were Assistant Warden Gentry, Assistant Warden Perez, Chief of Security Brown, Unit Manager Berry, Unit Manager Martinez, and Clerk Polkinghorn.

**REQUEST NO. 6:** Please identify all prison staff members (by name, rank and title at the relevant time and last known home and work address) who were on duty on Fox Delta between 6:45 am and 5:45 pm, from March 6, 2019 to March 14, 2019.

**RESPONSE TO REQUEST NO. 6:** A review of shift rosters for the subject dates indicates the following Officers were assigned to the day shift on Fox Delta from March 6, 2019 to March 14, 2019: David Dellinger, Jacob Reed, Dayne Chaplin, Zachary Powell, Vance Shaw.

*✓* **REQUEST NO. 7:** Please identify all prison staff members (by name, rank and title at the relevant time and last known home and work address) who were on duty on Fox Delta between 6:45 pm to 5:45 am from March 6 to March 14, 2019.

**RESPONSE TO REQUEST NO. 7:** Objection, relevance. Objection, safety and security of staff members. Plaintiff is an inmate in a correctional facility and will not be provided address information of staff members. Without waiving these objections, a review of shift rosters for the subject dates indicates the following Officers were assigned to the day shift on Fox Delta from March 6, 2019 to March 14, 2019: David Dellinger, Jacob Reed, Dayne Chaplin, Zachary Powell, Vance Shaw.

**REQUEST NO. 8:** Please identify the procedure for "inmates who refused cellmates" and the procedure for "investigating or physical altercation between two inmates who horseplay." And the steps the investigator takes to determine the incident as "horseplay" or "fight."

*✓* **RESPONSE TO REQUEST NO. 8:** If an inmate refuses cell mates, he is issued a misconduct and his level is dropped. Furthermore, based on the circumstances of the refusal, the inmate may be placed in Segregation pending investigation into the refusal. During segregation reviews, a determination is made to return the inmate to general population or conduct a protective

measures investigation. If an inmate shows signs of injury, an investigation is conducted to determine the source of the injury and to ensure the safety of the inmate. The investigation includes reviewing staff reports, photographs, and inmate medical evaluations and may include interviewing the victim, the suspect, and any witnesses. In my 23 years' experience as a corrections professional, when inmates incur injuries as a result of horseplay, they readily admit it. When inmates maintain different stories and are evasive when questioned, it generally means that something occurred that they don't want staff to know about. In this incident, both inmates reported that inmate Johnson fell off the top bunk. However, both inmates had injuries that were inconsistent with falling off the top bunk and were consistent with fighting.

**REQUEST NO. 9:** Please identify and attach a copy of your whereabouts on March 6, 2019 on Fox Delta Cell 210.

**RESPONSE TO REQUEST NO. 9:** Objection, your request is vague and unclear insofar as you have asked Defendant Martinez for a *copy of your whereabouts*. Without waiving this objection, I, Unit Manager Martinez, was on the facility on March 6, 2019 as verified by my digital signature on the 5-1 incident report. My office was on the Fox Alpha Pod and I likely would have been on FD at some point during the day.

**REQUEST NO. 10:** Please identify where you were at on the facilities Fox Unit on March 6, 2019 between 10:30 am – 4:50 pm.

**RESPONSE TO REQUEST NO. 10:** I, Unit Manager Martinez, was on the facility on March 6, 2019 as verified by my digital signature on the 5-1 incident report. My office was on the Fox Alpha Pod and I likely would have been on FD at some point during the day..

**REQUEST NO. 11:** Please identify in as much detail as possible what you saw occur on March 6, 2019 on Fox Delta cell 210.

**RESPONSE TO REQUEST NO. 11:** On March 6, 2019, I was advised by Correctional Officer Cody Prince that inmate Johnson had blood on his nose and right eyebrow. Correctional Officer Prince advised me that he believed inmate Johnson and inmate Porter were involved in a fight because there was a lot of tension in the cell. I reviewed the staff reports, medical evaluation forms, and photographs. Based on the information provided, I was able to conclude that a fight occurred.

**REQUEST NO. 12:** Please identify the incident reports and a copy, and their location of the events that transpired on March 6, 2019, on Fox Delta, cell 210.

**RESPONSE TO REQUEST NO. 12:** A copy of the incident report for March 6, 2019 will be BATES numbered and produced to Plaintiff by separate correspondence. A copy of an Offense Report dated March 12, 2019 and related disciplinary records will be BATES numbered and produced to Plaintiff by separate correspondence.

**REQUEST NO. 13:** Please identify and attach copies of all 5-1cs filed by inmate Lamone Johnson, inmate Marquis Porter and their locations.

X **RESPONSE TO REQUEST NO. 13:** Objection, safety and security. Plaintiff is an inmate in a correctional facility and should not be provided information submitted by other offenders. Objection, relevance. Objection, vague, unclear, and unduly burdensome. Plaintiff's request for "all" 5-1c he may have submitted while he was confined at Davis Correctional Facility is not relevant to his claims brought forward to this Court. Without waiving these objections, no 5-1c Incident Statements completed by Plaintiff have been located. Requests to Staff submitted by Plaintiff dated March 22, 2019 and March 28, 2019 will be BATES numbered and produced to Plaintiff by separate correspondence.

**REQUEST NO. 14:** Please identify all officers responsible for formulating, implementing and monitoring compliance with the policies, procedures and protocols and practices described in your response to Interrogatory #2 and Interrogatory #8.

X **RESPONSE TO REQUEST NO. 14:** Objection, vague and unclear in that Plaintiff requests that we identify "all" responsible officers. Without waiving this objection, as the Unit Manager for the Fox housing unit during 2019, I was responsible for the operation of that inmate housing unit.

**REQUEST NO. 15:** Please identify each document as the term is defined in Federal Rules of Civil Procedure 34 (a)(1) that evidence mentions or refers to any facts stated in your response to Interrogatory #11, Interrogatory #12 and Interrogatory #13.

X **RESPONSE TO REQUEST NO. 15:** Objection, Plaintiff's request is unclear and is not understood. Without waiving this objection, please see the produced materials responsive to Plaintiff's requests #12 and #13.

**REQUEST NO. 16:** Please identify each person who has made to or sworn to or unsworn statements or provided information for affidavits or statements that relate to the allegations made in Plaintiff's complaint and state the information provided.

X **RESPONSE TO REQUEST NO. 16:** Objection, Plaintiff's request is unclear and is not understood. Without waiving that objection, any affidavits that have been made were attached to the *Special Report*. Staff responding to the incident of March 6, 2019 are identified in the produced incident report. Staff involved in the disciplinary process are identified in the produced materials.

**REQUEST NO. 17:** State the name and address or otherwise identify and locate any person who to your or your attorneys knowledge claims to know of facts relevant to the conduct described in these interrogatories.

X **RESPONSE TO REQUEST NO. 17:** Objection, Plaintiff's request is unclear and is not understood. Without waiving that objection, any affidavits that have been made were attached to the *Special Report*. Additionally, for additional staff statements and materials, please see the materials submitted in response to Plaintiff's discovery requests.

### Mental Health Recommendations Regarding Offender Discipline

Date: 3/13/2019Date/Time of Offense: 3/12/2019Offender Name: JOHNSON, LAMONEDOC# 744047Offense: FightOffense Code: A-2Mental Health Level at Time of Offense: ☒ B, ☐ C1, ☐ C2, ☐ D

#### Recommendations Concerning Acceptance of the Misconduct:

- ☒ Accept offense report for formal disciplinary process. Offender is capable of assisting with his/her defense.
- ☐ Accept offense report for formal disciplinary process. Offender requires a staff representative familiar with issues related to serious mental illness or cognitive impairment.

☐ ~~Disciplinary hearing should be postponed until the mental health authority (MHA) notifies the appropriate staff person that the offender is capable of assisting with his/her defense. Normally, if the offender has not been assessed as capable of assisting with his/her defense within a six month period, consultation between the designated staff person and MHA will occur to determine the feasibility of additional postponement of the offense report. The MHA and designated staff member may jointly elect to take no further action on the offense report.~~

- ☐ Informally handle the offense by referring the issue to the MHA who will hold the offender accountable for his/her behavior. The MHA will modify the offender's treatment plan to address the problem behavior. This offender's mental health issues and/or level of functioning would be best addressed using the following strategy: \*

Off him. I wasn't expecting that so I snatched back and my face hit the bed, that's how my nose started to bleed. The bite was also because P. snatched back. There was no fight. My nose was bleeding alot so we "both" banged on the door. C/O Prince took me to medical and told the Nurse I was in a fight. I insisted that I wasn't a fight but C/O Prince wouldn't listen. C/O Prince wasn't even there when the incident arose. No-body was there. That's why we banged on the doors. Then you threatened me and told me you were going to have some guards or inmates beat me up if I didn't plead guilty. I told you I have PMT and you still said "I don't protect fags, this is prison you better learn how to fight." My cell said "I'm not pleading guilty." So you moved him putting him also

See 28 C.F.R. § 115.42(c) "A Transgender or intersex inmates own views with respect to his or her own safety shall be given serious consideration." That person is Marquis L. Porter, 746756, whom also has a PMI which we are "threatened" by the same group of people. Id. § 115.41, 43, On 3-28-19, around 4:00 - 6:00 PM Mr. Martinez sent Clo Stamey to house a Inmate with me. I refused due to me 1. Being a (MTF) Pre-operative Transgender I am at risk of Sexual Assault. See Farmer v. Brennan, 511 U.S. 825 (1994) & See Lojan v. Crumbie, 12 CV. 0320 LAP, 2013 WL 411356 at 4\* (S.D.N.Y. Feb. 1, 2013) "Mere knowledge that Plaintiff was transgender was sufficient to put prison officials on notice that she was susceptible to physical attack." 2. That I have PMIs and previous P.R.E.A. incidents reported where I was the victim. So my own safety views should be taking into serious consideration with respect. Not doing so is a P.R.E.A. Violation.

See 28 C.F.R. § 115.41, 42(e) You told me that you don't have to listen to my views. I told you I can only live with Marquis Porter. You told me I could live with anyone. Leaving me in my cell for a long period of time alone also violates my rights. See 28 C.F.R. § 115.43(a)(b)(c) See also Medina-Tejada v.
